### DRAMA TEACHER NOTES

#### Group discussion

- Define what it is to be Australian. Is there such a thing as a 'typical' Australian?
- This play is in part about belonging. Discuss the ways in which this is explored during the play.

#### Taking it further

- Write your own list of rules for a new student starting at your school.
- Interview somebody who was born in another country and who now lives in Australia, and make a poster about their life.
- Imagine you are 11-year-old Manjari. Write a diary entry about your first days at your new school.
